

**“With TV we can reach millions
of people, every day of the week.”**

Gerry Harvey, Harvey Norman

Harvey Norman is an Australian business success story with a reputation for offering its customers great products at great prices. And Harvey Norman knows the quickest way to tell millions of Australians about its offer is through television. In fact, every day, 13 million Australians tune in to Free TV. To find out how advertising on TV can help your business visit thinktv.com.au
